Happy 5th Birthday Boots!

MEET THE FAMILY!

This month we are celebrating the birthday of our main girl on the family farm. No, not Nancy this time folks, this month is a furry family member, an Anatolian Shepherd in fact. Silent Grove Boots or 'Boots' as we call her, turns five this month! Boots is our main Alpha Girl on the farm, she takes her protective role very seriously whilst being very calm and accepting of all our livestock. She looks after our front house sheep paddock, where it is common for her to have some cows or horses to protect along with her regular herd of sheep. She just loves human attention, and we love giving it to her! Boots has also taken on the role of watching over us all, alerting us when something isn't right close to home. Happy 5th Birthday Boots!

LIVESTOCK GUARDIAN DOGS

Here at Bunya Range Lamb, we train and work with Anatolian Shepherds in traditional ways and have found them to be the best custodians for our livestock and a part of the family. Whilst they are first and foremost working guardian dogs, they all enjoy a good belly rub and lots of human interaction too! Anatolians truly have the most amazing natures whilst being phenomenal at their role of protecting our Dorper sheep! There are nine Anatolian Guardian Dogs on the farm currently with two of these in our training program. Each mature dog has a paddock of livestock to look after. They will patrol the boundary, scare away any predators and alert us if there are any issues with the sheep. We are passionate about guardian dogs, so we also breed and train these wonderful animals for other farms to take on the custodianship method for their livestock.

In fact, in August we are hosting a farm visit for **PAWS 2023 - Pest, Animal and Weed Symposium** (not the big dog walk folks!) to showcase the benefits of using Livestock Guardian Dogs and how our training program works for the benefit of the land, livestock and farmers combined.

Bunya Range Lamb @ Taste the Trail 2023

Last month we had the honour of having Bunya Range Lamb feature at the South Burnett Annual 'Taste the Trail' bike ride.

We love to be involved in community events where we can showcase our premium lamb products and meeting some award-winning chefs is a bonus along the way!

Married Chefs Jason and Karen Ford created a mouthwatering lamb, black garlic and shiraz pie for the riders to relish on a lunch stop. '*Absolutely Divine*' was the vote from all involved!

THIS MONTH'S RECIPE - LAMB, BLACK GARLIC AND SHIRAZ PIES

As an extra bonus for all of us, Jason and Karen have shared their recipe with us, so of course it has to be this month's recipe!

Simply click the link under the pic of that mouthwatering pie!

Saturday 26th August at the Festival!**

Bunya Range Lamb will feature at Dalby's Delicious & Delightful Festival!

This year's celebrity chef is Jan Cranitch, a qualified Brisbane-based chef with over 30 years of experience. She specialises in bespoke cooking and is an avid supporter of using natural, unprocessed ingredients and sourcing local produce where possible to support local suppliers.

This year Jan will showcase our very own Bunya Range Lamb at the festival!

Jan is running cooking demonstrations all day with our products, and whether you are a beginner or an experienced cook, Jan's demonstration at the Festival will offer valuable tips, tricks, and recipes you'll love.

There will also be a Family Fun Show-off Cook-off competition where you can compete with your family (real family, group family, work family). There's a trophy and \$500 in cash or prizes up for grabs!

So once you have seen Jan's demonstration head over to our trailer to grab your lamb products to get cooking! We will have plenty of diced lamb for the pie recipe too folks.

A little birdy tells me Shane and I are going to be interviewed onstage so that's a bit exciting!
